(Just play the notes like in the intro or you can make your own melody in this part... Just feel the music \ (^-^)/)

*Yeah I remember sunny mornings  
And summer evenings  
Now you're not next to me  
And I am freezing  
Was it real?  
Oh baby, tell me, was I dreaming?  
How can you show me paradise,  
When I'm leaving?*

*Now my heartbeat is sinking  
Hope's shrinking  
When I try to speak no words  
Lip-syncing  
Hope this is not just wishful thinking  
Tell me that you care  
And I'll be there in a heartbeat*
