**Bridge:** Adam Levine @2:26

B B B B A G G

Maybe it's six forty-five

B B B B A G G

Maybe I'm barely alive

B B B B B B A G A G G

Maybe you've taken my shit for the last time, yeah

B B B B A G G

Maybe I know that I'm drunk

B B B B A G G

Maybe I know you're the one

B B B B B B A G A G

Maybe I'm thinking it's better if you drive

**Verse 3:** Cardi B @2:43

Not too long ago, I was dancing for dollars

Know it's really real if I let you meet my mama

You don't want a girl like me I'm too crazy

But every other girl you meet is fugazy

I'm sure them other girls were nice enough

But you need someone to spice it up

So who you gonna call? Cardi, Cardi

Come and rev it up like a Harley, Harley

Why is the best fruit always forbidden?

I'm coming to you now doin' 20 over the limit

The red light, red light stop, stop

I don't play when it comes to my heart

I don't really want a white horse and a carriage

I'm thinkin' more of white Porsches and karats

I need you right here 'cause every time you fall

I play with this kitty like you play with your guitar

(ah)

**Chorus 3:** Adam Levine @3:13

(Repeat Chorus 1)

**Post-chorus 3:** Adam Levine @3:30

(Repeat Post-chorus 1)
